### Product Information

The AT FORUM Structured Loop tile showcases a captivating, multicolored tile pattern that repeats in a large rapport, creating an individual design on each tile. Especially in the lighter color variations, subtle shadow effects emerge in the tile joints, wonderfully accentuating the pattern.

### Installation Instructions

Through deliberate sorting during installation, you can positively influence the overall appearance and minimize production duplications in the longitudinal seams. Professional installation generates a refreshingly dynamic surface pattern that adds a pleasant revitalization to any room. Through initial use and regular maintenance with a brush vacuum cleaner, the appearance steadily gains expressiveness.
