Product Information

The AT FORUM Structured Loop tile showcases a captivating, multicolored tile pattern that repeats in a large rapport, creating an individual design on each tile. Especially in the lighter color variations, subtle shadow effects emerge in the tile joints, wonderfully accentuating the pattern.

Installation Instructions

Through deliberate sorting during installation, you can positively influence the overall appearance and minimize production duplications in the longitudinal seams. Professional installation generates a refreshingly dynamic surface pattern that adds a pleasant revitalization to any room. Through initial use and regular maintenance with a brush vacuum cleaner, the appearance steadily gains expressiveness.
